SIERRA MADRE CALIFORNIA — THURSDAY, AUG. 16, 1956

14 PAGES—VOL. 50—NO. 41

These Are the Stumps Stirring Protests at Grand View and Hermosa.

Protests increased this week over the extension of the Sierra Madre School playground and the removal of several large Eucalyptus trees from school grounds.

The issue came to a head last Wednesday night at a meeting of about 25 property owners and Superintendent of Schools Charles A. Skutt and Recreation Director Philip T. Mitchell.

Several property owners, represented at the meeting by Attorney Noren Eaton, questioned Mr. Skutt on School Board plans for the playground and on whether the matter was being handled in accordance with legal requirements.

The main point of contention involves three full size lots, approximately 80 by 100 feet, facing Grand

View that were purchased by the school April 10, 1953. These lots border on the school playground.

Several property owners reported that it was their understanding that the lots would be used as a site for a bus garage and Recreation Department storehouse. All the lots are in an R-1 zone.

Mr. Mitchell said that the present Zoning Ordinance permits recreational development in an R-1 zone and that tree removal and other work in the playground was being done with special recreation funds allowed by the state code.

Mr. Eaton objected on the grounds that the playground is being extended for educational reasons and, as a result, the City Planning Commission must approve a con-

ditional use permit.

"The School Board," Mr. Eaton said yesterday, "has no more right to ignore the Planning Commission than I do. The people who live in the area of the school have a right to know what is going on."

Dr. Milton Valois, School Board president, said the board so far has authorized the removal of the trees, the extension of the playground and the erection of a temporary fence. No action has yet been taken on the development of the three lots facing Grand View.

The Board at its meeting Aug. 1 approved Purchase Order No. 2004, which authorized the removal of 11 trees by the Alexander Tree Service at a cost of \$750.

It appears likely that the

issue will be brought before the Planning Commission on Sept. 13. The School Board plans to discuss the problem fully at its meeting Sept. 24.

The basic question now appears to hinge on whether the extension of the playground to Grand View, including the possible erection of a garage and the building of several softball diamonds, comes under the classification of recreation or education.

If under the former, no action by the Planning Commission would be necessary, according to the opinion of legal experts. If the latter is true, a conditional use permit must be obtained before the School Board can proceed with whatever plans it may devise for the three lots facing Grand View.

Planners Reject Gas Station On Andrews Corner, 5 to 0

City Studies Plans for Big Recreation Area

Preliminary plans for a new recreation area in Sierra Madre, including a swimming pool and many other facilities, were presented to the City Council at its meeting Tuesday night.

The Council also adopted a total budget for 1956-57 of approximately \$504,000, excluding about \$98,000 which will be transferred from the Water Department into a fund earmarked for capital improvements for the water system and depreciation.

Here Are Some of the Aims And Purposes of Budget

By Larry Bevington
City Administrator

City government is a business and must conduct itself like any well-run, efficient business. It must be responsive to its customers, aware of the products desired and the price which the individual is willing to pay.

These ideas must be remembered at all times and especially at budget time.

To the ordinary citizen, budget time means that period when the tax rate for the next year is set; to the elected citizen, who is responsible for providing the services and managing the city, it is that time when a program of work is matched to a possible income.

In this day of vast federal, state and county expenditures, we are all prone to forget that city governments are charged with the responsibility of furnishing to local residents all those "municipal type" services to which we have become so accustomed.

Rescue Squad Still Holds Lead

Bethany Church moved into second place in the Buy in Sierra Madre campaign this week, followed in third place by St. Rita's Guild.

The Sierra Madre Search and Rescue Squad still held a substantial first place lead, although Bethany closed the gap somewhat by polling 1,951,845 votes for the week.

The vote totals of the three leaders are Search and Rescue, 4,293,885; Bethany, 3,180,196, and St. Rita's, 2,551,355. In fourth place is

Ascension Church with 779,350 votes.

The 13-week campaign, sponsored by the Sierra Madre Chamber of Commerce, will end Oct. 11. For every dollar you spend in Sierra Madre in the stores of participating merchants, you are entitled to 100 votes which you may cast for your favorite civic, fraternal or religious organization.

Participating merchants, listed on Page 6, are supporting the entire program,

which includes \$1,000 in three cash prizes. Additional merchants who have contributed to the prize fund are Ripple Mortuary; Miss Jeltje M. Hansen, physical therapist at 53 N. Baldwin; Happy's Liquor Store, and The Highlander.

A breakdown of the organizations leading in the campaign follows:

Squad.....4,293,885
Bethany Church.....3,180,196
St. Rita's.....2,551,355
City of Hope.....672,442

British Home.....	541,725
Methodist Church.....	512,100
Masonic Lodge.....	310,925
Presbyterian Church.....	307,375
Boy Scouts.....	260,300
Christian Science Church.....	189,075
Foothill Jewish Community Center.....	177,000
Eastern Star.....	117,000
Cystic Fibrosis Foundation.....	69,175
Camp Fire Girls.....	52,525
Boys Club.....	30,550
Faith Lutheran Church.....	25,600

The City Council hopes to meet shortly with the Planning Commission and interested citizens to discuss the recreation area.

THE NEW budget is based on anticipated revenue in 1956-57 of approximately \$539,000.

It calculates income to the city from the property tax on an estimated total tax base of \$10,500,000. This represents an increase of \$550,000 from last year, indicative of the area's continued growth.

Other details of the budget, which was formally adopted Tuesday night, were carried in previous editions of The Sierra Madre News.

IN OTHER action, the Council:

1. Authorized the City to allocate an additional \$1,300 necessary to pay for the new parking district, including the erection of directional signs.

2. Set Sept. 11 as the date for a public hearing on proposed minor changes to the Zoning Ordinance. The changes, as proposed by the Planning Commission, are designed primarily to clarify the ordinance.

Formal resolutions from the Planning Commission rejecting an application to build a gasoline station at the corner of Michillinda and Sierra Madre Blvd. and approving the establishment of a rest home at 59 Esperanza will be presented to the Council at its next meeting.

The Council granted the home a business license Tuesday night. (See story on Planning Commission.)

3. Regretfully accepted the resignation of Al Freeland, Water Department superintendent. Councilman Harold Roberts presented a resolution thanking Mr. Freeland for his many years of service to the city.

Important items held over by the Council until its next meeting include a proposed ordinance regulating obstructions such as hedges, trees and fences at street intersections and a uniform traffic ordinance.

The new traffic ordinance covers time limits for parking, parallel parking and other traffic problems.

Rescue Crew Goes On Three Missions

Three separate rescue missions kept the Sierra Madre Search and Rescue Crew hopping last week.

On Aug. 8 at 8:30 p.m. they were called from their first-aid class to rescue one Adams, pack station owner Anita Canyon while removing a pinch bar from a tree he was cutting down.

When the tree fell, it threw the bar, which struck Adams across the head. He suffered severe injuries.

The rescue crew rushed him to Chantry Flats by litter and then by auto to a doctor. He now is recovering.

Last Saturday morning, the crew was called out to help the weary San Dimas mountaineers search for two missing youngsters, Brenda Howell, 11, and Don Baker, 13.

The children left Aug. 6 on a bicycle ride and disappeared. One of the bicycles and a jacket since have been found in the San Geronimo Canyon near Morris Dam.

Police theorized Wednesday that the two are "definitely runaways."

On Sunday, while part of the crew continued the hunt for the missing youngsters, the remainder of the group received an emergency call that two girls had been injured when thrown from a horse in Santa Anita Canyon near Fern Lodge.

The girls, Sharon LeBouf, 13, of Lawndale, and Janice Hale, 10, of La Crescenta, were carried nearly two miles to Chantry Flats in separate litters by the rescue crew and Forest Service

Two in Crew Get Awards

Ed LaLone and Bill Wark, members of the Sierra Madre Search and Rescue Crew, last week received the Public Relations Award of the Month from the "Lever Standard," publication of Lever Brothers Co., with headquarters in New York.

The two mountaineers, both Lever Brothers employees in L.A., received the award for their lifesaving activities with the rescue crew.

In bestowing the award, the Standard said of the pair: "Their sole mission in life is to support their families, be competent on the job, be good citizens and help other people. Theirs is an inspiring success story."

The Standard also quoted a Sierra Madre News editorial on the work of the rescue crew. (See "On the Trails," Page 4, Section 2.)

Sears Files Appeal on Store Ruling

Sears, Roebuck & Co. this week filed an appeal with the Pasadena Board of Directors over the Planning Commission ruling on the proposed Sears store on Foothill Blvd. at Michillinda Ave.

Sears appealed on almost all of the 15 conditions imposed by the planners in their ruling permitting construction of the store development.

City Fails To Enter Parade

(See Editorial, Page 2)

The entry list for the 68th annual Tournament of Roses Parade has been closed with the maximum limit of 62 major floats. Tournament President John S. Davidson announced this week.

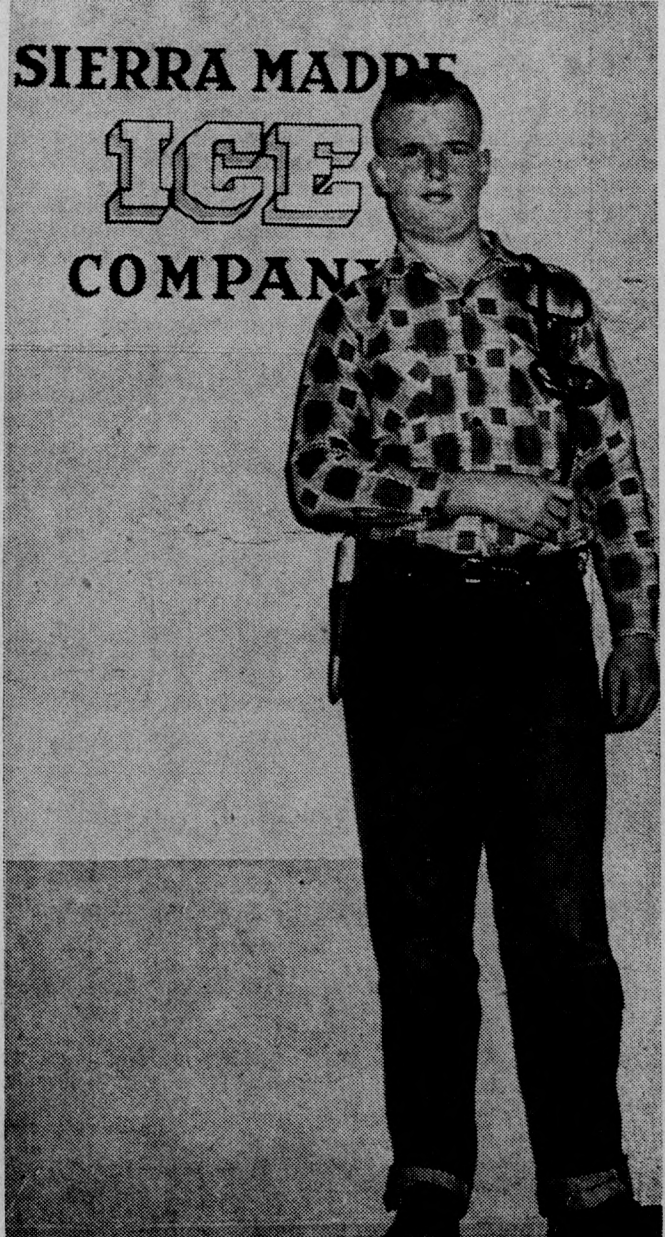

Sierra Madre, which had filed no entry, will not be represented, tournament officials revealed. It will be the first parade since 1936 that the city has missed.

Floats have been entered from all over the world, including Switzerland and Mexico, and the rush of entries brought the earliest closing date in the affair's history.

Theme of the parade this year will be "Famous Firsts in Flowers." Among designs already chosen by entrants are First Date, First Newspaper, First Formal, Lindbergh's First Flight, First Bible, First With the Most and First Satellite.

The New Year's Day parade will be composed of 33 city floats, two nations, 17 civic organizations and 10 commercial organizations.

CONTRACT AWARDED
Award of a \$98,545 contract for construction of the extension of Baldwin Ave. between Valley Blvd. and Lower Azusa Road was announced yesterday by County Supervisor Herbert C. Legg.

Brian Dennis Miller, Boy Businessman

Meet Brian Dennis Miller, probably Sierra Madre's youngest full-fledged businessman. Brian, who is 14, is the proprietor of the Sierra Madre Ice Co. at 61 E. Montecito.

The youth bought the property from his parents, Mr. and Mrs. Thomas Miller Jr. of 98 E. Sierra Madre Blvd., with money he had been saving since he was a little (or littler) boy.

Brian handles the business all by himself, with an occasional hand from his grandfather, David Gilmore, of 71 E. Montecito. He keeps his own books, does his own banking, and generally runs the business himself. (His parents, of course, double check the books and bank

statements.)

Soon after taking over after the departure of the California Consumers Co., which formerly leased the property from the Millers, Brian installed two new vending machines.

He now can offer his customers crushed, cubed or block ice from vendors 24 hours a day.

In addition, he painted the front of the ice house and in general dressed up the place.

When high school starts again in the fall, Brian plans to get up early in the mornings to fill the vendors before going to school. Then he'll return to the ice house after his last class early in the afternoons.

SPEAKING AGAINST the gas station proposal were R. A. Keller, attorney for a group of property owners in the area; Gordon Wright, also an attorney for several property owners, R. F. Jones, 685 Mariposa, and Henry Wade, 673 Mariposa.

A letter in favor of the zone change was received from Al and Maybelle C. Fletcher, 634 W. Sierra Madre Blvd., and a letter against the proposal was filed by Earl D. Topping, 30 Vista Circle Drive.

The motion to reject the zone change petition was offered by Commissioner John Redlon, who pointed out that there had been no unforeseen change in the neighborhood since adoption of the 1955 zoning ordinance and that the change would constitute spot zoning, which he described as undesirable.

THE MOTION was seconded by Commissioner Robert H. Ainsworth.

The petition for permission to operate a rest home at the Esperanza address was offered by Cornelius and Ruth E. Van der Stad, Arcadia.

Mr. Van der Stad said he had acquired the property June 7, with the purchase conditional upon granting time.

Stolen Tape Recorder Is Found

The \$250 tape recorder stolen July 17 from the Music Shop at 43 N. Baldwin today is back in the store.

It was redeemed by Carl R. Engel, owner of the store, from the Monrovia pawn shop where it was pawned for \$35 shortly after the daylight theft.

Monrovia police, acting on a teletype sent out by the Sierra Madre Police Department, located the recorder in the Monrovia shop. It had been turned in by a youth who gave the name Richard Lopez, 912 E. Foothill, Azusa.

Both the name and the address were fictitious, and The News cooperated with police in suppressing the story in hopes the youth would seek to reclaim the machine.

The recorder was stolen when one youth distracted the attention of clerks while another youth and girl walked out with it.

Mr. Engel was in Los Angeles on business at the time.

\$9,000 Budget OK'd By Community Chest

The Sierra Madre Community Chest set its 1956-57 fund goal at \$9,000 Monday night, approximately \$1,000 higher than last year's figure, Newell Barrett, president of the Board of Directors, announced.

The budget was adopted by the Board upon the recommendation of the Chest Budget Committee.

The biggest beneficiary this year, as in past years, is the Boy Scouts of America, who were allotted \$2,650. A total of 13 non-profit groups will benefit under the new budget.

The new campaign director will be Aaron Glasser. He will be aided by Mrs. C. L. Young, Charles Louk, Mrs. Harold Pangborn and Mr. Barrett. The 1956-57 drive will start in October.

Members of the budget committee are Frank Barbour, chairman; Samuel Kirk, Margaret Ascher, Lawrence Bevington, Al Paus, Mrs. Harry Elwood, William

Vensel, Col. Charles R. Gildart and Dr. Paul Narcowich.

A breakdown of the budget follows:

Boy Scouts.....	\$2,650
Campfire Girls.....	1,010
Administration, campaign fund and reserve.....	1,000
Community Nursery School.....	500
Girl Scouts.....	500
Santa Anita YMCA.....	500
Visiting Nurse.....	170
Children's Hospital.....	170
Orthopedic Hospital.....	150
Semanon Club.....	100
USO.....	100
Travel Aid.....	50

Editorials

The Blight Is on the Rose

For the first time since 1936, Sierra Madre will not be represented this year in the Tournament of Roses Parade on New Year's Day.

The Sierra Madre Float Committee, understandably feeling they had done their part in producing entries with little help from anyone, this year decided to let someone else take over. But no one did.

The association wrote the Chamber of Commerce early this year with the plea that it sponsor the float entry, but was refused.

Members of the association then approached residents, but failed to find any who would take over the back-breaking task of producing a float with volunteer workers.

The deadline for entries has come and gone, and Sierra Madre is among the missing. Floats are coming from as far away as Switzerland and Mexico, but there'll be none from the Foothill City.

Our association with the Tournament of Roses Parade began way back in 1918. From then until 1936, we missed a few but took part in most. After 1936, the city gathered its residents to produce a float in every parade. The string ends, now, on New Year's Day, 1957.

Sierra Madre's was a unique effort among the elaborate entries put forward by other cities, who hired trained professionals at elaborate prices to produce their floats.

Sierra Madreans, on the other hand, built theirs themselves, with no professional help. It was a community effort exclusively, and the city didn't do so badly.

The Sierra Madre float took a prize or special mention in each parade. While it is true that entries in our class were limited, it also is true that a great number of those prizes were first place awards.

It is a shame, now that the city has grown to nearly 9,000 residents, that it can't put forth the united effort that sprang from a far lesser number.

That's the way it seems to go, though. As a city grows larger, it loses its community of interests, and a united effort becomes less likely.

Max Caldwell, manager of the Pasadena Tournament of Roses Association and a former Sierra Madrean, said the association will miss us this year.

"In view of Sierra Madre's long association with the parade," he said, however, "there will always be a spot for the city if it wishes to return."

That means, apparently, that Sierra Madre will not go to the end of the line when it comes to getting back into the parade in the future, a fate which usually befalls those who drop out.

Well, maybe next year.—W.F.T.

The Pundits Tee Off on HST

Why did Harry Truman endorse Averill Harriman? And what will be the result?

Well, the newspaper pundits are on the job. As soon after the act as Monday night they had provided an answer to suit every personality, prejudice and predisposition.

Of course, these pundits usually quoted a mysterious "reliable source." Long ago I learned that when a political reporter with no real news to report quotes a "reliable source," that "reliable source" almost always is none other than the pundit himself.

Now a Pasadena pundit seems to lean toward a theory that Harry "merely wanted a wide-open, rip-snorting, fire-and-brimstone convention because he believes it will help the party's chances in November."

Actually, he says, HST will campaign hard for any nominee, inferring that there is nothing personal behind his implied rejection of Stevenson.

Not so, says James Lee of International News Service, writing in the same paper. Truman's "truculent endorsement" of Harriman was the chance he had been awaiting for four years "to kick Adlai in his solar plexus."

Well! But William K. Hutchinson, chief Washington correspondent of INS, suggests that Harry really was looking for an eventual Harrington-Symington ticket, although Hutchinson takes a dim view of the chances of such a move's success.

Mrs. Roosevelt goes even further, indicating that Harry may really be trying to stalemate the convention by endorsing Harriman to pave the way for eventual nomination of Symington.

Posh! says Ruth Montgomery. Harry and Stu Symington are far from friends, she scoffs, and Stu just might "even old scores" with Truman by withdrawing in favor of Stevenson—should the presidency appear unobtainable for himself.

You're all wrong, hints a coy Herald-Express editorial writer. He "wonders" if maybe Truman is planning on a deadlock with a resultant "We Want Harry" stampede.

Well, so much for motives. How about results? Robert G. Nixon sees Truman "sparking a determined, relentless drive" to stop Stevenson.

But our friend Ruth Montgomery doubts if he can get his "bandwagon" off the ground, "where it seems currently stalled."

And old friend James Lee says "old wounds are being split open and ancient enmities are flaming anew" since Harry exploded the bomb, leading one to believe that a disastrous party split looms.

But Walter Lippman says Stevenson and the party now will be better off in November because Adlai won't face the charge that he's Truman's boy.

And Robert S. Allen adds that, despite all the hoopla, Truman still has a commitment from Adlai to be in on the selection of a vice presidential candidate if Stevenson wins the nomination.

Well, there you are. But don't blame the pundits too much. Remember they have to file copy each day, and when nothing much of a reportable nature is happening, they have to use the old bean. And no two beans jump the same way.—W.F.T.

P.S.—Notice I quoted mostly from INS correspondents. That's because they do not always disdain to flavor fact with fancy, and cheerfully climb out on a limb at every opportunity.

From Now Until November 6

Lee Shippey asks
What Do You Think?

What this country needs is an organization to hunt down and exterminate whoever it is that is forever inventing viruses.

It used to be that when a fellow got sick he called the doctor and the doctor either told him something he could understand or confessed that he didn't know what was the matter.

But now, no matter how bewildered the doctor is, all he has to do is look wise and say: "It's a virus," or "It's a new virus." And the patient can only sigh resignedly and know that means some newfangled drugs—which cost a lot more than they should.

Almost every day, according to radio advertisements, the infallible cure for some virus is found, but that does not diminish the supply one bit.

The virus inventors must work 40 hours a day. There are so many new viruses, apparently, that they have to be dealt out liberally.

No one can have a simple cold any more. At the very least a sore throat is a strep—you spell it—throat. Indeed, nobody can have anything simple any more. You can't support beautiful cars, beautiful offices and beautiful receptionists on simplicity. One has to give everything a \$4 name, at least, in order to justify a \$5 or \$6 fee.

I LOVE TO KID the doctors, but I think a lot of all those I know personally. They're a wonderful lot of fellows, and we surely could not get along without them.

I predict, though, that unless some much better medical and hospital insurance plans than have yet been presented are worked out,

the boxes were being shot across town, down to the central railway station for the trains.

Getting back to my hotel should, of course, have been simply a matter of retracing my steps. I started out confidently enough, but after the first corner and turn I was faced by an embarrassment of choices.

After several trials and errors, I inquired of a passer-by. I found that I was within a single block of my hotel.

Well bundled to the ears against the cold, I spent several absorbing hours daily visiting again Florence's historic churches, filled with priceless treasures of painting, sculpture, and goldsmith work; saw miles of ancient Roman marble busts of emperors, forgotten plutocrats, and remembered poets at the huge Uffizi Gallery; department stores as lively as our own; fine little shops that line both sides of the Old Bridge over the Arno; and the busy open Market; and sat through two films in a fine big cinema where the unheated auditorium maintained a steady temperature of about 50-F degrees.

(To be continued.)

Hungry for facts and reasons, like the ideal tourist, I inquired, Why? Wouldn't someone have to bring the letters into the post office, after all?

No, was the answer: By means of a tube and propeller (probably the vacuum principle), the contents of

the demand for national health insurance and a lot more government supported hospitals is going to become irresistible.

Congressmen and senators stand staunchly against anything so "socialistic" but you'll notice that practically all of them who get sick in Washington head straight for a government-supported hospital, Bethesda Naval.

They do that to get the best of care without going broke for treatment. And congressmen and senators make a lot more money than most of us do. Even the President gets wonderful care from Army doctors and hospitals, for which we are all glad.

The question is, can persons so fortunately situated fully sympathize with those who can be ruined by a single serious illness?

Have those who avail themselves of such privileges from government-supported institutions a right to lift their hands in holy abhorrence at anyone who suggests a national health insurance plan which would protect 100,000,000 of us from possible ruin?

THE BEAUTIFUL grove of trees which gave distinction to the Hermosa-Grand View corner of our public school grounds has been cut down.

A lot of us would have protested and tried to save at least a fringe of the trees if we had known what was going to happen.

Now we will feel we have lost a great deal if a fringe of new trees is not set out, and whatever part of the area is not required for a ball field is landscaped, not used for any business purpose. Grand View is definitely a residence street.

Los Angeles City and County authorities have been trying desperately to stamp out drug traffic and thereby cut the crime rate. The actual number of narcotics offenses is impossible to ascertain because they are only reported if arrests are made, but this new law will help to eliminate them by taking the profit out of drug traffic.

Committees throughout Southern California already are working hard on the narcotics problem.

ONE OF THE COMMITTEE's goals is to produce a film which may be shown in the public schools of our area. The new law encourages education of this type as well as providing help for the treatment of addicts.

All law enforcement agencies including the Food and Drug Administration, the Federal Bureau of Narcotics and the Treasury Department, are behind this new measure — although there are indications that some would like to see the law even stronger.

As passed, the bill does not contain my recommendation that the enforcement of federal narcotics laws be transferred from the Treasury Department to the Department of Justice and the FBI.

I still feel this is a necessary step and hope to investigate the possibilities of reintroducing a bill if I return to the Congress in January.

Around
Washington

By Edgar W. Hiestand
Rep., 21st District

Of all the measures passed by the 84th Congress, I was particularly pleased to see that penalties were stiffened for narcotics violators.

I had been pushing for such a law all year, and although the legislation that finally went to the President carried another man's name, it differed only in minor respects from mine.

It is no understatement to say that we now have a very Strong Narcotics Act.

The new law permits the death penalty, if recommended by the jury, for persons who sell or give heroin to persons under 18. Moreover, it lengthens the jail sentences for convicted offenders — something that goes far toward increasing the risks involved in drug sales.

It clarifies the fact that marijuana is a drug. Additionally, it outlaws even the possession of heroin, except for scientific research, and sets up a 120-day period for the surrender of all heroin. This drug has no legal medicinal uses.

STATISTICS vary on the link between major crimes and narcotics, but the figure most generally agreed upon is that drugs are involved in about 50 per cent of the major crimes in the cities of America. That is to say, when a crime is committed it is done for the purpose of obtaining money to buy drugs, or is done under the influence of drugs.

Los Angeles City and County authorities have been trying desperately to stamp out drug traffic and thereby cut the crime rate. The actual number of narcotics offenses is impossible to ascertain because they are only reported if arrests are made, but this new law will help to eliminate them by taking the profit out of drug traffic.

Committees throughout Southern California already are working hard on the narcotics problem.

ONE OF THE COMMITTEE's goals is to produce a film which may be shown in the public schools of our area. The new law encourages education of this type as well as providing help for the treatment of addicts.

Letters to the Editor Column

Dear Sir:

By this letter we desire to clarify our position concerning the court action brought against the city council of Sierra Madre.

For the past year we have endeavored to obtain peaceably from the city council a business license to operate a non-profit charitable home for girls from the ages of 16-20.

Our God-given purpose is to establish and maintain a Christian home in which we plan by God's help to meet the spiritual and material needs of the girls entrusted to our care.

We here at Bethany Home still believe that the Word of God, the Bible, is adequate for every need that will arise in the lives of our young people who are facing many problems for which there seems to be no answer.

To these girls who are confused and insecure, we offer an opportunity to embrace Jesus Christ as their personal Savior, who offers to them a purpose and a reason for living. With this goal in mind we have been challenged to give of ourselves, our time, and effort to make this home a place where they will find love, understanding, and wholesome family activities.

We cordially invite the people of Sierra Madre to come and see the facilities of Bethany Home at 72 W. Alegria on Aug. 18 and 19.

We are very grateful for the generous contributions which have made Bethany Home an attractive, well equipped home for girls. Our work has been financially supported, without solicitation, by Christian people in many parts of the United States, who feel that this is

a much needed and worthy project.

We also take this opportunity to sincerely thank the businessmen of Sierra Madre for the many discounts given on purchases made in their stores.

We feel that it has never been made absolutely clear to the public that we are purchasing a non-conforming piece of property. Structurally, the two buildings on the property are arranged and were in operation as an institution. Before making arrangements to purchase this property we were familiar with Ordinance No. 391 which states:

"F. Non-Conforming Buildings or Uses:
1. A building or portion thereof, which is specifically designed or arranged to be occupied by or used for a non-conforming use prior to the enactment of this ordinance, may hereafter be occupied or continue to be used for the purpose for which it was designed, arranged, or intended or for which it is being used;

5. If a non-conforming use or portion thereof be discontinued for one (1) year or more it shall not be reestablished without approval of the Planning Commission. If such non-conforming use be changed to a conforming use, it shall not thereafter be reestablished."

Our application for an exempt license was made within the one year. If this non-conforming use was discontinued with the removal of the Children's Home, why were we not advised or required by the city council to appear before the planning commission for a variance before applying for a business license?

At the time we applied for Mariposa Ave., this summer.

Mr. and Mrs. John Fergus and daughter Barbara have returned from a week's vacation at Santa Cruz.

Mr. and Mrs. J. W. Gamby of 490 E. Highland announce the birth of a daughter, Jancy Lee, Saturday, Aug. 4.

A barbecue and entertainment was given by Mr. and Mrs. Charles Ferry at their home on Baldwin Ave. last night.

THIRTEEN boys from Sierra Madre are attending the county department of recreation camp at the Union High School, Redondo. The boys are Ralph and Trent Cheyney, George Coble, Howard de Winstanley, Francis Hibbs, Earl and Richard La Lone, Allan Morse, Jack Melgord, Marvin Thomas, Bert Embree, Gordon Stinman and Jack Martin.

TWO SIERRA MADRE young ladies attended the wedding of Miss Ruth Frost Monday evening at the M.E. Church in Pasadena. Frances Robertson was soloist and Grace Nord was a bridesmaid.

Sylvia Worthington and Marilyn Iffrig entertained 30 of their young friends Sunday night with a swimming party in Canyon Park pool.

TWO SIERRA MADRE young ladies attended the wedding of Miss Ruth Frost Monday evening at the M.E. Church in Pasadena. Frances Robertson was soloist and Grace Nord was a bridesmaid.

5 YEARS AGO THIS WEEK, Aug. 16, 1951—Dennis Johnson has returned to his home at Lance Creek, Wyo. in time to resume school. He has been a guest of his aunt, Mrs. Henry Wade, 673

10 YEARS AGO THIS WEEK, Aug. 15, 1946—Mrs. Paul Robert, 231 E. Montecito Ave., entertained Thursday in celebration of the third birthday of her daughter, Lorraine. Young guests were Linda Johnson, Susan Drury and Brian Dennis Miller.

13 YEARS AGO THIS WEEK, Aug. 14, 1936—Sierra Madre was represented in Santa Barbara's annual Spanish Day Fiesta. Miss Lyn Farman of 205 W. Orange Grove Ave. had the distinction of carrying the American Flag in the brilliant parade.

Rudolph Annas walked off with first prize at a checker tournament sponsored by the county department of recreation at El Monte Tuesday. "Yos" Umekubo took third prize. Other Sierra Madre youngsters playing were Billy Kiggins, Robert Annas, Takashi Umekubo and David Aisawa.

a much needed and worthy project.

We also take this opportunity to sincerely thank the businessmen of Sierra Madre for the many discounts given on purchases made in their stores.

We feel that it has never been made absolutely clear to the public that we are purchasing a non-conforming piece of property. Structurally, the two buildings on the property are arranged and were in operation as an institution. Before making arrangements to purchase this property we were familiar with Ordinance No. 391 which states:

"F. Non-Conforming Buildings or Uses:
1. A building or portion thereof, which is specifically designed or arranged to be occupied by or used for a non-conforming use prior to the enactment of this ordinance, may hereafter be occupied or continue to be used for the purpose for which it was designed, arranged, or intended or for which it is being used;

5. If a non-conforming use or portion thereof be discontinued for one (1) year or more it shall not be reestablished without approval of the Planning Commission. If such non-conforming use be changed to a conforming use, it shall not thereafter be reestablished."

Our application for an exempt license was made within the one year. If this non-conforming use was discontinued with the removal of the Children's Home, why were we not advised or required by the city council to appear before the planning commission for a variance before applying for a business license?

Mrs. W. A. Webster Back From Cross-Country Drive

Mrs. W. Alden Webster, 305 E. Laurel, has recently returned from a motor trip to the East Coast in her Volkswagen.

Mrs. Webster and her daughter, Nancy, left on their trip shortly after Nancy graduated from the University of California at Berkeley.

Before heading for the desert and mountains and across country to Wilmington, Del., the travelers stopped for a visit with Mrs. Webster's brother and his family, the Walton W. Bayards, in their Sacramento home.

While in Wilmington they were entertained in the home of Mr. and Mrs. Bayard W. Allmond, parents of Nancy's fiancé, Bayard W. Allmond Jr., who is again spending the summer in Europe as tour leader with a group of students.

The Allmonds and Nancy will drive to Montreal to meet Bayard when he returns.

Nancy will then begin teaching in the Camden, N. J., high school and Bayard will start his studies as a graduate student in the University of Pennsylvania Medical School. The couple plan to be married in Sierra Madre in August 1957.

After leaving her daughter in the East, Mrs. Webster started her trek west alone. She had a short and pleasant visit with Mr. and Mrs. Fletcher White, former Sierra Madreans, in Lakeview, Ark.

Their home is situated on the lake at Bull Shoals Dam and is most picturesque. Mrs. Webster reports the Whites miss Sierra Madre and their many friends but keep busy with their gardening and fishing.

Mrs. Webster stated driving cross-country in a Volkswagen was a most interesting experience. Days would pass before she would see another such car and in some remote areas.

After resting and relaxing, Mrs. Webster will return, in September, to Glendale, where she will teach 50 kindergarten children—a post she has filled for many years.

Santa Anita Chit-Chat

By "Anita" EL. 5-7846

Newest arrival to our area is Master Rodney Mark Swenson, born Aug. 7 at Huntington Memorial Hospital. Proud parents are Ronald and Lorene Swenson, who live at 121 S. Holdman Ave. Rodney has two brothers, Richard, 7, and Randal, 4. The Swensons, mother and son, returned to their home Sunday and are fine.

THE HICKS, Cecil and Joybna of 111 Colony Drive, are taking a week-end vacation from home and children and are going down to Del Mar for the races.

DR. AND MRS. JULIUS Hammerschmitt of 275 E. Orange Grove have just returned from a week at Del Mar which was so enjoyable that Yvonne can't wait to return for another week before the season closes.

HENRY AND MAXINE Danovsky of 350 E. San Gabriel Court have flown over to Las Vegas for a week's vacation at the Thunderbird, while their children, Jane and Jimmy, are off visiting Mr. and Mrs. Les Harvey in Norwalk.

BARBARA BERDAHL (Mrs. Martin) presented an unharmed countenance to her dinner guests last Friday evening in spite of the fact that she had spent the entire afternoon at the doctor's with her young son, John, who suffered a ruptured eardrum. Who says a housewife's life is a dull one? John is feeling fine but regrets the loss of swimming fun this season; first mumps, then an ear infection has kept him out of the water most of the summer.

MR. AND MRS. RAYMOND Johnde, 1881 Colony Drive, have taken a cottage high on the hillside at Catalina and plan to spend their vacation enjoying the island with friends.

Mrs. A. M. Alexander Marks 80th Birthday

Mrs. Ruth H. Sheldon, 220 E. Alegria, recently honored her sister, Mrs. Abbie M. Alexander, on her 80th birthday with a luncheon held in the Santa Anita Oaks home of her son.

In attendance at the gala event were Mrs. Ed Love, Mrs. Paul McConkey, Mrs. Clarence Johnson, Mrs. J. P. Sheldon, Miss Carla Sheldon, Mrs. James Daugherty, Mrs. Clarence Creighton, Mrs. Bertie Clardy Mrs. A. E. Paddock and Mrs. Fred Lockwood of San Diego, who came to Sierra Madre to attend the party.

SIERRA SECRETARIAL SERVICE

Social and Club Activities

THESE MEMBERS of the Sierra Madre Community Nursery School Association's Executive Committee met last week to plan for the coming year. From left, standing, are Jim Tattersall, Mrs. Richard Schuster, William Vensel and William Brackman. Seated are Mrs. George Tyree, Mrs. John Boldeman and Mrs. Gerald Marugg. The committee announced that the association's annual Christmas Shoppers' Night will take place in November and that the annual Spring Dance is set for April.

Horace Gillett Plays Tennis With Army

Pvt. Horace Gillett, son of Mr. and Mrs. Horace F. Gillett, 700 N. Auburn, was selected as a member of the Second Army tennis team which is participating this week in the All-Army tennis championships at Fort Bragg, N. C.

Gillett, a graduate of the University of Redland, entered the Army Aug. 17, 1955. A tennis player in college, singles champion of the SCAC in 1953, he has continued his performances while stationed at Ft. Holabird, Md.

In the Second Army tennis championships at Aberdeen Proving Ground, Md., last week, he advanced to the quarter-finals before losing to the eventual champion, Stephen Potts of the Military District of Washington, in straight sets, 6-2 and 7-5.

The California star also played in the Baltimore City Men's Singles tournament before bowing to Dave Freishtat, Duke University star, in the semi-finals. In a later tournament, he teamed with Freishtat to capture the doubles crown.

He is currently serving as a clerk at the Troop Information and Education Center.

PISTOL MATCH
Eight members of Southern California's 40th Armored Division will fly to Camp Perry, O., this week to compete in the National Rifle and Pistol matches as members of the California National Guard Team. They include Sp/3 Lawrence A. Twedell, 718 Alegria St.

Storkland Plays Tennis With Army

Mr. and Mrs. Richard A. Hukill, 30 Windsor Lane, are the parents of a son, David Raymond, born Aug. 5 at St. Luke Hospital, weighing 7 pounds 7 ounces. The maternal grandparents are Mr. and Mrs. R. H. Price, 234 W. Highland. The paternal grandparents are Mr. and Mrs. Harry E. Hukill of Rosemead. The Hukills have a daughter, Debra Ann, 1.

A SON, William Stephen, was born to Mr. and Mrs. William J. Spencer, 420 W. Sierra Madre Blvd., Aug. 1 at St. Luke Hospital, weighing 7 pounds 14 1/2 ounces. The maternal grandparents are Mrs. Winifred Morrison, 400 E. Laurel, and Clarence Morrison of Monrovia. The paternal grandparents are Mr. and Mrs. Russell Spencer of Monrovia.

COUNSELLORS SET
Extended Day counsellors will be available during the evening at Pasadena City College beginning Aug. 27. Appointments may be made for as early as 6 p.m. on Monday through Thursday.

H. H. Davidsons Host Out-of-Town Guests at Buffet

Mr. and Mrs. H. H. Davidson, 185 E. Sierra Madre Blvd., hosted a buffet dinner Aug. 8 honoring the John Buchans of Oak Park, Ill.; Mr. and Mrs. Edward Ryska of Bury, Ill., and their son, Michael, and Mrs. Albert Abercrombie of Hartford, Conn.

Included in the evening's festivities were Mr. and Mrs. Dan Parker, Mrs. Nan Braun, Mr. and Mrs. James Tyler and Mrs. Martin Sullivan.

Mrs. Abercrombie, Mrs. Parker's sister, and her three children, Grace, Genevieve and Gary, have been visiting in Sierra Madre. Mr. Abercrombie joined them the first of the week.

Mrs. H. H. Davidson Undergoes Surgery

Mrs. Herbert H. Davidson, 185 E. Sierra Madre Blvd., is in St. Luke Hospital where she is recuperating following emergency surgery performed last Friday night.

Mrs. Davidson is seeing her friends and expects to be home the first of next week.

Arcadia Branch, AAUW, Reveals Plans for Year

Mrs. Herbert A. Opel, president of the Arcadia Branch, American Association of University Women, has announced that officers and section chairmen have been busy this summer working toward a well integrated year.

Of special interest this election year will be the Legislation Section under the chairmanship of Mrs. John Thornton, who with her committee, Mrs. Robert Wilkerson and Mrs. John Meehan, are planning to present to the membership the pros and cons of propositions appearing on the state and national ballots.

Education, international affairs and social studies workshops led by Mrs. Louis Schneidewind, Mrs. Sydney Curtis and Mrs. John Meehan, respectively, will hold joint meetings during the coming year, combining all pertinent studies in these fields under the title "Contemporary Affairs," obviating the necessity of a great many workshop meetings, but affording members of the branch an opportunity to keep abreast of AAUW activities in these fields.

The Juniors, under the leadership of Mrs. John G. Murphy, assisted by Mrs. Olav T. Petersen, are planning a social get-together this month. At this time plans will be formulated for the group's participation in activities of the branch, including support of the national fellowship fund.

The Arcadia Branch has for three years contributed \$500 toward a fellowship grant, as well as providing a local scholarship fund. Mrs. Robert Knerl, fellowship chairman, announced that the peak was reached this year when AAUW was able to grant fellowships to 49 outstanding women scholars—41 to women in the United States and eight to international fellows.

Other groups in the branch include study sections in art, music, gardens and books and plays, chaired by Mrs. Clifford Hensel, Miss Bertha Galloway, Mrs. Louis Randall, Mrs. Louis Weiss and Miss Gladys Ruth, respectively.

The program committee, working with Mrs. Emerson Winter, second vice-president, has spent the summer arranging programs for the nine general meetings, each of which will cover one of the study sections. These general meetings are held on the second Monday of every month, commencing in September.

DAR Members Have Luncheon Meeting Today

Members of the Santa Anita Chapter of Daughters of the American Revolution will be guests of Mrs. Leslie Day, 763 Arcadia Ave., at a garden luncheon today.

Included in the short business meeting will be the announcement that the September meeting will be held on the third Thursday rather than at the scheduled time.

The Santa Anita Chapter wishes to remind all residents that "Constitution Week" will begin Sept. 17 and extend through the 23d. It is hoped everyone will try and make the effort to observe this period of patriotic celebration as this is in reality a week set aside by a proposal of California DAR chapters.

Mrs. C. M. Morris Returns to Home

Mrs. Clara M. Morris has returned to her home at 585 W. Orange Grove following more than two years' residence in Alhambra.

Mrs. Morris has been ill and is still unable to be active in civic affairs.

Some men change their minds—others have none to change.

ALA Group To Meet

The American Legion Auxiliary will meet Aug. 23 at 8 p.m. in the home of Mrs. Thomas Henderson, 85 E. Sierra Madre Blvd.

The group enjoyed a pleasant evening and grill garden supper last week at the West Covina home of Mrs. Arthur Embree, who was assisted by Mrs. Emily Cinkel.

YMCA District Buys Land for Headquarters

The Santa Anita District YMCA this week announced the purchase of the Omer and Ruth Bailey property at 965 W. Duarte Road on the Monrovia and Arcadia line for the establishment of a permanent headquarters for YMCA activities in the District.

The Monrovia City Council at its meeting Aug. 7 approved the YMCA request for a special use variance on the property.

The YMCA Building Bureau representative will meet with the Building Committee and architect on Aug. 22 to discuss further plans for remodeling of the property and extensive improvements.

Additional program activities in the local Y, serving Sierra Madre, Arcadia, Monrovia and Duarte, will be added to the schedule as soon as the property is through escrow.

For the past two summers, Mr. and Mrs. Bailey have volunteered the use of their property and swimming pool for the District YMCA to conduct swimming instruction programs for boys and girls as well as adults.

It may be true that time is money, but usually the more time a man has the more money he needs.

Washington's Gigantic Trio

In The American Forestry Association's search for the largest trees of each species in the U.S., the 3rd, 4th and 5th awards go to the State of Washington. All three of these champions are growing there in Olympic National Park.

They are: (3) a Western Red Cedar (Thuja plicata), girth 66'-1", height 130'; (4) a Douglas Fir (Pseudotsuga taxifolia), girth 53'-4", height 221'; and (5) a Sitka Spruce (Picea sitchensis), girth 51'-6", height 180'.

In 1908 Darius Kinsey photographed the felling of a Western Red Cedar with a girth of 76' measured 18' off the ground, reported to be the largest tree in the State of Washington. We find no record of larger Firs or Spruces than those selected by the A.F.A.

Sierra Madrean's Mother Dies

Adela M. Gonzales of Azusa, mother of Laurence Gonzales of the Wistaria Cab Co., died Aug. 12, 1956, after a long illness. She was 66 years old.

Mrs. Gonzales, a native of Mexico, came to California in 1903. She had resided in Azusa for the past 37 years. Besides her son, she is survived by her husband, Pedro Gonzales, and three grandchildren.

an za Hispano Americana, Mission Lodge 96, Azusa. Recitation of the Rosary was held yesterday in Riple Mortuary Chapel. A Requiem Mass will be sung today in St. Rita's Church.

Interment will be in Resurrection Cemetery, South San Gabriel. **GOLDEN TEXT** "Mind" will be the Lesson-Sermon topic Sunday at the First Church of Christ, Scientist. The Golden Text is from the 147th Psalm: "Great is our Lord, and of great power: His understanding is infinite."

It may be true that the way of the transgressor is hard but he can find better going if he turns to the right.

Special Retreat for Women Scheduled at Sacred Heart

Convert and non-Catholic women have been invited to make a weekend retreat at the Retreat House of the Sacred Heart at 920 E. Alhambra Road in Alhambra the week of Aug. 17.

Sisters of the Third Order of Carmelites annually open their doors to converts and non-Catholic women.

The retreat opens at 8 p.m. Friday with Benediction of the Blessed Sacrament, and closes at 5 p.m. Sunday, after Holy Hour.

Father John Shepherd, S.J., will be the spiritual guide. In addition to his series of talks and personal consultations, Father Shepherd will answer questions placed in a "question box" by retreatants.

Several hours are left open for retreatants' personal relaxation and meditation. Reservations can be made early by calling Sister Luz Maria, director, at Atlantic 4-1765.

Rev. DePasquale

for a short furlough. He and his family have been engaged in missionary work in Syria since 1945.

Before leaving for the foreign field, Rev. and Mrs. DePasquale spent 10 years in evangelistic and pastoral work in California. Both are graduates of Pasadena Nazarene College. They have four children.

Mrs. DePasquale and the children did not accompany Mr. DePasquale to the States. While here in the States Mr. DePasquale will spend a few months in deputation work, presenting the work of the Church of the Nazarene in Syria.

He will discuss political and national problems of the people of that area. He will particularly discuss those phases of the current situation that affect the missionary work of the Church of the Nazarene.

New Principal Named at Temple Sunday School

The Foothill Jewish Community Center of Temple Beth Israel, Sierra Madre, of which Rabbi Charles W. Stekel is spiritual leader, announced this week that Nathan Chronman has been retained as new principal of the Sunday School of the Temple Center.

Mr. Chronman recently was principal of the Sunday School of the Pasadena Temple and has been a Sunday and Hebrew school teacher in other temples. He has a background in Hebrew and Education, and is a graduate of the Law School of USC.

Some of the teachers who will be under the supervision of Mr. Chronman are: Dr. Eugene Roberts, Mr. Herschkowitz and Mr. Feldschreiber. Other teachers will be announced later.

Registration for Sunday School will take place at the Temple on Aug. 19 from 10 a.m. to noon, and again on Aug. 20-21 from 7 to 9 p.m. Also at this time, members may apply for their tickets for the High Holy Day Services.

What Does Marine Do When Typhoon Strikes? He Waits

What happens to a company of Marines when a typhoon hits Okinawa? The following letter by Ronald W. Black to his father, Ralph W. Black, is a matter-of-fact account of such an incident. Ronald, who was raised in Sierra Madre and went to grade school here, also is the son of Mrs. Anne Black, 242 E. Grand View Ave.

July 31, 1956.

There is considerable wind and rain on Okinawa as Typhoon "Wanda" approaches. The island is on "Condition One" and most everyone on this base is restricted to barracks.

We will probably have hot meals for the remainder of the day, but if the typhoon hits here tomorrow, as it is expected it will, we won't be leaving the barracks even to go to the messhall. In that case, the company will be eating "C" rations here in the quonset huts.

Tanks have been distributed to the various Marine Corps bases around the island for use as ambulances.

Lighter vehicles will not be allowed on the road if the full force of the typhoon should hit here.

THERE'S NOT MUCH to do here at present. It has been over two weeks since the company was paid, so every radio in the barracks is now in a pawn shop in Ishikawa or Koza.

The Okinawan school boys, who faithfully deliver the Morning Star and the Stars and Stripes each morning, evidently didn't feel like braving the storm, for there is not a Tuesday's newspaper on the base.

However, I don't suppose there will be electricity much longer, and with the barracks' windows all boarded up, I probably won't be able to get much reading done, anyway.

The Okinawans who run the base laundry were here yesterday securing their building with steel cables, which they drove into the ground with four-foot steel bars. Our quonset huts are also strapped down with steel cables.

FUNNY THAT, with all the wind outside, it should be warm in the barracks, but that is the case. There are five electric fans operating in here.

It is now 18:30 and the wind has increased in velocity since I started this letter this morning. The lights in the barracks were out for about an hour and just came on a few minutes ago. A couple of live wires were blown down, so electricity for the whole camp was shut off as a safety precaution.

The entire barracks just went to the back door (the front door blew down during the day and was boarded back on) to witness the latest in a series of "scientific experiments" that have been conducted throughout the afternoon.

THESE COMPETITIVE experiments consist of launching an ingenious sort of "weather balloon" into typhoon Wanda's turbulent perimeter.

There are several varieties

ing "C" rations yesterday at noon and had same again this a.m. Hot meals start at noon today.

BASE HELD UP well during the storm, with only minor damage to some buildings. Tanks were driven alongside many of the quonset huts to form windbreak. Have had no electricity since night before last. No newspapers, as yet.

The base was supposed to have had a general's inspection today. A couple of colonels were out yesterday to observe storm damage.

Close as center of Wanda came to Okinawa was approximately 135 miles—that's the word we have now, anyway.

RONALD.

FLOWER PROGRAM

Construction of the first of four new orchid growing houses is now under way at the Los Angeles State and County Arboretum in Arcadia. It is the initial step in a plan to establish the Arboretum as a major display center for the flowers on the west coast.

Electric cooking is fastest!

Now!
Hamburgers "deliciously done" in 2½ minutes—when you cook electrically!

TODAY NOTHING COOKS FASTER than a modern electric range. From a cold start with a cold pan, hamburgers are ready to eat in 2½ minutes. Hot soup takes 68 seconds. Bacon and eggs 3½ minutes. Fry, bake, broil or roast—electricity does it better.

THERE'S MORE: your kitchen is cooler. And cleaner. Pots and pans keep that mirror-bright shine. Kitchen walls look fresh and new much longer.

AFTER WARRANTY on your range expires, Edison services it free—charges only for parts, if needed.

IF YOU'RE STILL COOKING the old way, it's simply because you haven't seen the new '56 electric ranges at your appliance dealer's.

It doesn't cost a cent to
Take a Ford Test Drive . . .
and you may save hundreds!

Would you
trade 20 minutes of your time
for a saving of hundreds?

August is Saving Season at your Ford Dealer's. Bag a deal while he clears his decks for the '57 models.

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis . . . the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford *scat* pays off in your kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen—drive and feel.

That fine-car quiet results from sound insulation under the hood, under the roof, in door and body panels—the most insulation in any car at

anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-joint suspension with wide base control arms for better steering, more stabilized wheel alignment . . . shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has two. We'll show you the deep-block Y-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really is a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

There are many cases where "medium-priced" cars claim to be priced within a few hundred dollars of Ford. Remember, however, these prices are usually arrived at by comparing their lowest-priced models—stripped—with Ford's most expensive models that include all of the comforts of driving.

But enough of this talk. Come in. And you do the driving and the talking. Bring the family, too.

FORD
goes first

NOW! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it. TRY ONE TODAY!

Based on a comparison of suggested list prices.

Your Health . . .

Too Warm? Here's What To Do to Beat the Heat

By Roy O. Gilbert, M.D.
Los Angeles County Health Officer

Blessed with a pleasantly cool spring and early summer, residents of Los Angeles County have had little reason to complain about the heat this year.

Unfortunately, it is almost a surety that extremely hot weather will soon be here and, as usual, will cause a certain amount of illness and deaths.

In most instances, even in the hottest weather, these unhappy occurrences may be avoided. Indeed, it is surprising how well heat can be tolerated by most individuals when a few precautions are taken.

If in a normally healthy condition, a human being possesses a very excellent air cooling system. In hot, sultry weather, the sweat glands generally dilate and the amount of perspiration released is considerably increased. This evaporates in the air and assists in keeping the body cool.

WHENEVER THE humidity is high, which occurs when the air is so moist that it does not readily accept additional moisture, it is more difficult for a person to be comfortable if the temperature is at all high.

This helps explain why people in certain parts of the country suffer more during hot spells than do individuals living in Los Angeles County, where the humidity is generally low.

No matter what the humidity, however, light, loose clothing is to be preferred in warm weather since it enables the air cooling apparatus of the body to function at top efficiency.

Most individuals feel better if they eat less when it is hot. No particular diet is advised, although it should always be well balanced. It makes little difference whether food is cold or hot, but many persons will prefer "something cold" on a hot day.

WHEN ANYONE becomes hot enough to perspire freely, the body often loses a large amount of water and considerable salt. Moisture should be replaced by drinking plenty of liquids, preferably water and fruit juices.

A little extra salt added to food at mealtimes is nearly always enough to make up for what is lost in perspiration, although people doing hard manual labor may need more. Individuals with heart or kidney trouble are advised to get medical advice, however, before taking more salt than is customary.

During summer heat, it is advisable to curtail activity. Too much exercise or over-exposure to the sun's rays may cause heatstroke or heat exhaustion. In the event of either, prompt first aid is required.

HEATSTROKE, sometimes called sunstroke, is not, of course, the same disorder as heat exhaustion, and first aid procedures for the two conditions differ. Indeed,

treatment helpful in one condition is actually harmful in the other.

Heatstroke generally happens to the elderly and is often fatal. When it occurs, the face becomes flushed and the skin is hot and dry to the touch. Dizziness, high fever, violent headache, and difficult breathing are common symptoms. Unconsciousness and convulsions may follow.

In heat exhaustion, however, the skin is cold and pale and perspiration is profuse. Dizziness, nausea, and severe cramps may be experienced.

First aid in heatstroke consists of putting the victim in the shade with head and shoulders raised, sponging the body with cool water, and applying an ice bag to the head. Stimulants are never given, and a doctor should be summoned immediately.

IN THE CASE of heat exhaustion, it is recommended that the patient be kept warm and placed flat on his back with the head low. A half teaspoon of salt, washed down with a few swallows of water, may be given, and coffee, or a teaspoonful of aromatic spirits of ammonia in half a glass of water, may be taken as a stimulant. It is also advisable to call a doctor.

The task of keeping cool is not an impossible one if a few hot weather precautions are taken. The individual may not be comfortable all the time but at least he can survive the heat and be none the worse when it's over.

Printed information on hot weather comfort will be mailed to persons sending a card of request to Health Education, Los Angeles County Health Dept., 241 N. Figueroa St., Los Angeles 12.

Rulings Voted By Planners

(Continued from Page 1)

HE ALSO SAID a rest home would be an opening wedge for other semi-residential uses in the neighborhood, which is zoned R-3.

Mr. Wynn submitted a letter in which he listed the names of 12 owners in the area who, he said, shared his views. The 10 are Edgar H. Kromer, Arthur L. Draeger, L. A. Moffet, Mrs. Ruby Barham, A. S. Myers, a Mr. Mitchell, John Bridwell, Walter Verhorenkamp, Henry L. Hawhurst, J. Nickerson, a Mr. and Mrs. Shearer and Edmund L. Smith.

Some 12 residents present at the meeting registered opposition to the petition in a show of hands requested by the commission.

THE COMMISSION'S approval, subject to six conditions, came on a motion by Commissioner May DeWright. Voting "No" were Commissioners Reddon and Mrs. Elizabeth Steinberger.

The Van der Stads Tuesday night were granted a business license by the City Council, subject to the conditions laid down by the planners.

The conditions were: (1) a 6-foot, view-obscuring fence must surround the property; (2) landscaping suitable in a residential district must be maintained; (3) paved off-street parking must be provided; (4) no additional structures can be erected without review by the commission; (5) plans for the rest home must be submitted before going ahead with the project, and (6) a strip of land must be reserved for future extension of Mariposa Ave.

It also was pointed out that the home will have to meet requirements of the State Welfare Dept. and other governmental bodies.

TENNIS TOURNAYS

Seven centrally located Los Angeles municipal playgrounds will host district finals of the 1956 Novice Boys and Girls Tennis Championships this Thursday and Friday, the City Recreation and Park Department reported yesterday.

"Stars of the future" seeking crowns in the district nest emerged winners and runners-up in neighborhood playground tourneys.

Art Forum Set For Aug. 28

This month's Art Forum, sponsored by the Friends of the Sierra Madre Library, will be held Aug. 28 in the Library Gallery.

The topic of discussion will be: "How Does Working as a Commercial Artist or a Teacher Affect the Creative Artist?" Guest panelists will be Walt Perego, whose exhibition is now hanging in the Gallery and who works for Walt Disney, and John Christenson, local painter and teacher. Ken Sheets will moderate.

The public is invited.

Chopin Etude Featured in Park Concert

Chopin's Etude, "Opus 10, Number 3," as arranged for band, will be one of the more unusual numbers on the program presented by the Sierra Madre Concert Band tomorrow evening in the City Park. Walter Lauren directs, beginning at 8 o'clock.

Familiar numbers scheduled include "Star Dust," Gershwin Selections, "Granada," and "The Bells of St. Mary's."

Apropos of the times, the band will play "The Showman," a number dedicated by composer Akers to Merle Evans, director of the Ringling Bros. Circus Band until the recent folding of "The Greatest Show on Earth."

"Hail Detroit," and "On Wisconsin" are among the several marches, with variations in rhythm provided by "Syncopated Clock," "South Rampart Street Parade," and the waltz, "Viennese Dreams." Concerts in the park will continue Aug. 31, concluding on Sept. 14.

VILLA
VIEWS

By Toni Maurin

You never know, as you raise your children, what specific lesson, or thought will stand out above all the rest. I think the two that impressed me most from my childhood were: No matter how bad a person might seem or how homely he might be, there is always something good and something beautiful in him if you take the time to search for it; and the other was, if you want to make fun of someone, make fun of yourself and then you won't hurt anyone.

The more I think about those two lessons, the wiser I think they are. Sometimes we forget to look beyond the end of our noses for the nice things in life and often it is too easy to laugh at others.

THE GEORGE CLARK family of 1525 Old House Road returned all nice and rested and beautifully tanned from a two-week stay at Crestline.

MRS. AIKMAN Armstrong of 3450 Fairpoint entertained at a bridal shower last week honoring Gwen Rippee. Among the guests were Mesdames Charles Goldsworthy, Joseph Phillips, John Chapman, Robert Mueller, Dave Elmer, Ernest Maurin, and Mrs. Jack Rippee, the bride's mother, and Mrs. Marcie Kemp, the bride's aunt, who is visiting from Wichita, Kan. Also present were three of her bridesmaids, Sandy Rippee, her sister; Diane Kemp, and Mariann Geyer.

MR. AND MRS. PHIL Calhoun of 1840 Kinneloa Canyon Road are happy to announce the birth of their son, Philip James Calhoun, born June 7 and weighing in at 7 pounds 7 ounces. His paternal grandmother is Mrs. Estella Calhoun of Martins Ferry, O. He has a 2-year-old sister, Phyllis Jane.

MR. AND MRS. WILLIAM Friedrich of 3300 Barhite entertained their supper club recently at an outside bar-b-que and swimming party. Among the guests were Messrs. and Mmes. C. Britton, George Clark, William Saunders, John Caro and Gerald Ferracane. Additional guests to the supper club were Mr. and Mrs. J. A. Gutierrez, Mr. and Mrs. John Fricke and Mr. and Mrs. George Amthor.

MR. AND MRS. JOSEPH Philipson of 1485 Old House Road entertained 25 guests from the Research and Development group of the U. S. Flare Corp. last week at a swimming and dinner party.

DR. AND MRS. R. L. Coldwell, 2060 Villa Heights, returned last week from a three-month European trip. They toured from London to Rome, Venice and Vienna, spent two weeks going around Switzerland, back to Paris, through Ireland and Sweden and then home via the Polar Route.

THE RALPH W. JAMES family of 1215 Hartwood Point Drive returned last week from a four-week vacation up Canada way. Their base of operations was the "J.O." Ranch in the Canadian Rockies. They toured around to Glacier National Park, Edmonton, Jasper, and many other interesting places in the vicinity.

MISS GLORIA Gutierrez, daughter of Mr. and Mrs. J. A. Gutierrez of 3265 Fairpoint, left last week with her uncle, Fred Ascencio, for a three-week stay with relatives in Mexico.

THE KINNELOA MESA Association recently got together for a day of festivities which started out with open pools at the William Nash, L. T. Greiner and Jack Miln pools. Later in the evening the group got together for dinner and a street dance on Meyer Loa Lane. There were about 140 people at the party, which included Mayor and Mrs. Warren Dorn. The main committee consisted of the William Nashes, Wayne Furstenbergers, Larry Dietzels, Karl Dietzels, Neil Batersons, J. C. Wilfongs, Dan Marvoshs, Harry Pulaskis and the C. E. Pretzingers.

110 Girls Take Part
In Service Program

Pasadena Area Girl Scout Council has sponsored swimming lessons for Brownies and Scouts from Don Benito School for the past two weeks ending last Friday.

A total of 80 girls from the third through the sixth grade for this period, as well as 30 girls from the second and seventh grades who were in a previous period, were a part of the summer program which has included all eight schools in the East District.

The lessons, given at the Joseph Tampico and Victor E. Caffee pools, were taught by Mrs. C. H. Zern, an active Scouter and Red Cross instructor.

Those 18 girls completing the beginners course were Bonnie and Christine Boyce, Dawn-Dale Castor, Carol Cummings, Andra Judd, Carol Langstaff, Toni Loomis, Diana Pursley, Meredith Wolff, Evelyn Raiken, Christine and Linda Ruiz, Janice and Marilyn Rowley, Diane Seigle, Janie Sparer, Cathy Sue Stoller and Anne Thacker.

The 10 to complete their intermediate course and be presented with buttons and cards from the Red Cross were Suzanne Wynn, Ann Callender, Debra Caffee, Marjorie Bacon, Carol Cushman, Margaret Lane, Cheryl McKibbin, Christine Read, Gale Tampico and Gail Temple.

Anne Friederici, Sherry Vance, Nancy Spense and Patsy Carley completed their Girl Scout Badge and Susan Walton completed the work for the Red Cross Swimmers Award.

Fourth Benefit
Swim Party Set

The home and pool of Mrs. James White, 3745 Mayfair, will be the scene of a swimming party sponsored by Las Jardineras Home and Garden Club Aug. 21.

This will be the fourth such party of a series of five promoted by the club this summer to raise funds for their hospital project for children.

Members and guests will arrive at 1 and provide their own sandwiches to be supplemented by drinks furnished by the hostess.

Thirteen persons attended the third swim party last week at the home of Mrs. Russell Pooler on Greenhill Road and helped swell the benefit fund to \$40. The club has set no financial goal but expects to raise approximately \$60 through their summer program.

M. McCluggages
Visit in Ranch

Mr. and Mrs. M. McCluggage of Denver, Colo., and their sons, Gene and David, are spending this week with her brother and family, Mr. and Mrs. John H. Fleming, 1290 Daveric, and their son, Jim.

The three boys, as well as the parents, enjoyed a full day's activities at Disneyland.

After leaving the Ranch at the end of this week, the McCluggages plan to return to their home via northern California with a stop-over in San Francisco.

Luncheon Party
At J. A. Gittingers

Mrs. James A. Gittinger, 1135 Michillinda, was a recent hostess at a bridge luncheon.

Among those in attendance were Mrs. Alpheus L. Pruitt, Mrs. W. Bernard Melone, Mrs. Warren W. White, Mrs. Gordon K. Wright, Mrs. William M. Sempie, Mrs. Brooks Thomas, Mrs. Max G. Linder, Mrs. Edward R. Halperin, Mrs. William H. Hillard, Mrs. Leonard Evers, Mrs. J. W. Goldstein and Mrs. David McNeely.

ENJOY BRIDGE, SWIM

An afternoon of swimming and bridge was enjoyed by Ranch ladies at the home of Mrs. Fred Phillips on Canfield Road yesterday. In addition to the hostess those present were Mrs. Al Werbelow, Mrs. Robert Vincent and Mrs. Dunbar Burdick.

Swim Party
And Lunch
At Mortons

Mrs. Elmer F. Morton and Mrs. John R. Baker were co-hostesses at a swimming party and picnic lunch at the Morton home, 3735 Shadow Grove.

The guests brought their own sandwiches and the hostesses provided the soft drinks and dessert.

Those enjoying the luncheon served in the cabana were Mrs. Jack Atkinson, Mrs. Ed Baines, Mrs. Ogden Boden, Mrs. Cal Brown, Mrs. Joe Cummins, Mrs. Vern Harding, Mrs. Ray Lindman, Mrs. Phil Shepherd, Mrs. Robert Smallman, Mrs. Evan Whitlock and Mrs. David Vinsmeyer.

The group is planning another swim party and luncheon Aug. 28 at the home of Mrs. Lindman. Mrs. Baines will be co-hostess.

Harry Wolffs
Host Relatives
From East

Mr. and Mrs. Harry Wolff, 1150 Daveric, and their children, Richard, Meredith and Johanna, have been entertaining out-of-town guests.

Mr. Wolff's sister, Mrs. Julius Strauss of New York City, and her son, Mark, and his niece, Toby Wolff, also of New York City, and Mrs. Wolff's nephews, Karl and Victor Blechman of Jackson Heights, N.Y., have been enjoying a stay in the Ranch. During their stay, the visitors have visited many spots of interest in the area. Highlights of their holiday was a trip to Disneyland and being in attendance last weekend at the opening of the Danish Festival in Solvang, a colorful village in the Santa Ynez Valley.

Mrs. Albert G. Bergh
Returns From Texas

Mrs. Albert Gordon Bergh, 1405 Daveric, and her two sons, Gordon and Charles, have returned from a six-week visit in Texas where they were guests of Mrs. Bergh's parents, Mr. and Mrs. Charles Chappell.

The Ranch residents made the trip by air.

GREG SCHLUETER HOME

Greg Schlueter, son of Mr. and Mrs. George A. Schlueter, 1235 Tropical, arrived home last weekend from a two-week stay at the summer "Y" camp at Bluff Lake.

Bruno Walter to Conduct
Again at Hollywood Bowl

Bruno Walter will be held over as guest conductor of the Los Angeles Philharmonic Orchestra at the Hollywood Bowl.

Orchestral numbers will include Weber's overture to "Euranthe," Brahms' Symphony No. 2 in D-Major and Richard Strauss' two symphonic tone poems, "Don Juan" and "Till Eulenspiegel's Merry Pranks."

Two other "holdovers" will be Izler Solomon, conductor, and Walter Gieseking, pianist, who will appear Aug. 23.

Gieseking will play Grieg's Concerto in A-Minor, Cyril Scott's Lotus Land, Castelnuovo-Tedesco's Cipressi and three numbers by Debussy. David Rose will conduct the Saturday "Pops" concert Aug. 25, and soloists will be Lois Hunt, soprano, and Earl Wrightson, baritone. The Roger Wagner Chorale also will take part.

Rose will lead the orchestra in his own songs, "Holidays for Strings," "Our Waltz" and others. Music from Jerome Kern's "Show Boat" and other musical shows will be played.

THIS UNIFORMED Air Pollution Control District inspector is patrolling the Hollywood Freeway in a newly-equipped patrol car. The camera shown at lower right is used to record visual violations. Some 48 patrol cars now are being equipped with sirens and red lights under a new amendment to the Motor Vehicle Code.

Hastings Teen Times

By David Brearley
Sycamore 8-7430

Carol Siechert is the lucky one. Her big thrill is a new 44-foot swimming pool that her family had put in just in time for the warm weather. Even the baby is enjoying it.

By the way, Carol just came back from a week spent at the Pilgrim Pines Camp. The gals climbed mountains, swam, worked with crafts, danced in the evening and had a barrel of fun. Carol's sister, Barbie, visited the camp earlier this summer and brought home such a wonderful story about the good times she had, Carol could hardly wait to get there.

MRS. LAERTES WHITE, known to all us teenagers in the Villa area as Grandma White, asked some of us to have dinner and swim in her beautiful pool the other evening. Tony White, her grandson, helped entertain and did a fine job of it. After a swell dinner, we sat around for awhile and let our food digest, then had a great time in the pool. Later, a game of blindman's bluff played in the pool was something new to us and lots of fun for everyone. All of us hope Grandma White has a long and happy life—we think she's swell.

DID YOU HEAR about the second floor tenant who called the party below and shouted, "If you don't stop playing that blasted saxophone, I'll go crazy." "I guess it's too late," came the reply, "I stopped an hour ago." Good-bye now.

DORINDA BROWN, Linda Smallman and Pat Cress left Tuesday for YWCA camp. They were out early birds for the bus left at 7:30 a.m. It sounds like they will have a real blast for the two weeks they will be gone.

HELEN HARGENS is spending a month of her vacation in Nebraska. She will return about Aug. 30. Her brother, cousin and aunt are with her. Sounds like a real ball.

TERRY CRESTMAN is having quite a summer. He spent a week at Yosemite with Jack Hargens and family. They fished and did many other activities.

When Terry got home he went with his family to Monterey to visit his brother who is in the Army. They will go to San Francisco to see him again.

Estochins in Malibu; Son Fishes in Idaho
Mr. and Mrs. Frank Estochin of Riviera Drive spent last weekend at the home of friends, Mr. and Mrs. William Preston at Malibu. Meanwhile, their son, Jim, is on a 10-day fishing trip in Caldwell, Ida., with his grandparents, Mr. and Mrs. Pete Hayworth of Lancaster.

Walter Gieseking

Hastings Park Will Receive
Added Facilities SoonNumbers to Call
For Ranch News

Those having news of the Hastings Ranch are asked to call Lucie Lubisch at ELgin 5-1921, for the Lower Ranch, and Marge Thomas at SYcamore 3-2743, for the Upper Ranch.

Miss Wynn
Hosts Recent
Slumber Party

Suzanne Wynn, daughter of Mr. and Mrs. Andrew J. Wynn, 3735 Sierra Madre Blvd., recently celebrated her tenth birthday anniversary at a "slumber party."

The guests arrived in the evening and after the playing of games and dancing to pop records, birthday cake, ice cream and punch were served. Following a very wakeful and talkative night, breakfast was served on the lanai.

Among those invited were members of Suzanne's Girl Scout Troop 324, of which Mrs. Wynn is one of the co-leaders.

Taking part in the festivities were Andra Judd, Debra Caffee, Gale Tampico, Toni Loomis and her houseguest, Kathleen O'Neill, former Ranch resident, Valerie Manning, Cheryl McKibbin, Sharon and Sandra Seiler, Lora Krotz and Maureen McKelvey.

Also, Bonnie Beth Pierce and Diane Sullivan. Suzanne's grandmother, Mrs. Frances M. Wynn of San Francisco, arrived for a two-week visit in time to take part in the celebration.

Moons and Music
Mark Gay Dance

Amid a multitude of decorative moons carrying out their theme of "August Moon Picnic," members of the Hastings Ranch Dance Club held their monthly dance at the home of Mr. and Mrs. William Caldecott, 2575 Shadow Grove.

Twenty-six member couples enjoyed an evening of dancing on the patio which was preceded by a box supper where the men drew for the suppers prepared by the ladies. Music was provided through the courtesy of Dan Taylor's hi fidelity tape recorder.

Refreshments were served throughout the evening by co-hosts and hostesses, Harry and Eleanor Masser, Chuck and Betty Coates and Jim and Nan White.

Those present were Messrs. and Mmes. Marvin Anderson, Ogden Boden, Bob Buttane, Cal Brown, John Calmer, Bill Caldwell, Don Clark, Chuck Coates, Joe Cummins, Edsel Curry, Bob Fainer, Bud Gero, Howard Hitchcock, Draper Jennings, George Lenney, Harry Masser, Jack Partch, Russ Pooler, Al Pruitt, Horace Ray, Phil Saurenman, Will Stewart, Jim White, Roland Whited and Ralph Riffenburgh.

DURING THOSE days the Long Beach Park and Recreation Department sponsored weekly swim meets with the big championship meet at the end of the season. Karl made a clean sweep of the 50-yard freestyle, breaststroke and backstroke sprints in his division.

Moving to Pasadena in 1933, he continued his swimming while serving as life-guard at Wagner's Pool and in 1937 captained the Pasadena JC swim team while personally winning the 50- and 100-yard freestyle events in all meets and placing second in the CIF championships.

Karl spent 1938 at Menlo High School while preparing to enter Stanford University. His team won the Northern California private school championship while he was personally winning the 75-yard backstroke crown and placing second in the 50- and 100-yard freestyle events.

BY WAY of variety, while at Pasadena and Menlo Karl participated in football as a halfback, and showed that his speed was not confined to water by winning the broadjump and 100-yard dash and placing second in the shotput in the championship track meet.

He spent 1939-42 at Stanford University, where he participated on the varsity swim team. It is significant that Stanford won the Pacific Coast Conference championship all four years. The war years were spent as a lieutenant in the paratroopers with time logged in North Africa, Sicily, Italy and France. It was during this time, strangely enough, that Karl received perhaps his greatest thrills in competitive swimming.

IN 1944 AND 1945 the Allied Forces in Europe held the G.I. Olympics with the finals in Rome. They were second place winners in 1945.

That ended his competitive swimming and after his "liberation" in 1945, he returned to Stanford for a couple of years' post graduate work and then accepted a position with the Bank of America, for whom he still toils as a loan officer.

KARL WAS NOT destined to remain a peaceful citizen for long, however, for Uncle Sam required his services again to assist in the Korean "police action." On Valentine's Day, 1951, a sniper's bullet found its mark and his right leg developed gangrene, requiring its removal. Since December, 1951, Karl has been content to restrict his activities to peaceful civilian pursuits with his wife, Charlotte, his childhood sweetheart whom he married in 1943, and their two children, Karl, 12, and Mike, 9.

Both children have their father's love for water and already show evidence of having inherited some of his ability.

Expansion of facilities at Hamilton Park is planned at an early date according to Pasadena Park Department authorities.

Hastings Ranch's own playground atop Jones Reservoir will benefit from the bond issue voted by Pasadena citizens last spring.

Plans are practically completed and work on the park awaits only availability of Park Department workmen who are presently occupied in higher priority jobs, including the landscaping of Sierra Madre Boulevard as far east as Eaton Drive.

New facilities planned include two enclosed tennis courts immediately south of the children's playground and concrete court. The present concrete court will serve for miscellaneous activities, including basketball.

A new ball diamond is planned for the southeast corner of the park with its rightfield line restricted to 170 feet by the southern enclosure of the tennis courts.

Additional facilities planned include a second cooking and picnic enclosure immediately east of the present one and a horseshoe court to the west of the picnic area.

Consideration also is being given to the erection of an 8-foot fence, particularly along the south and west sides.

Two of the Upper Ranch families, Mr. and Mrs. P. K. Farley and Mrs. H. K. Forsberg, have moved to Sierra Madre Villa and the J. L. Hollerans are now living in Arcadia.

GETS NEW POST
Appointment of Dr. Howard R. Bierman to the new position of Medical and Scientific Director of the City of Hope Medical Center was announced this week. Dr. Bierman has been director of the City of Hope's Hospital for Tumors and Allied Diseases since 1953, and also director of the City of Hope's Medical Research Institute since 1954.

Needlework Guild Meeting Aug. 22
Members of the Hastings Ranch Section of the Needlework Guild of America will meet Aug. 22 in the Victor E. Caffee home, 1240 Coronet, for a luncheon meeting and swimming party.

Co-hostesses for the party will be Mrs. Neil Fallon and Mrs. Robert Heffner. Anyone interested in working in this group may receive further information by calling Mrs. Alpheus L. Pruitt, director, at ELgin 5-2915 or Mrs. James A. Gittinger, assistant director, at ELgin 5-2958.

Sports in Haste . . .

This Family Has Background
When It Comes to Swimming

Summertime in the San Gabriel Valley gives rise to a desire for water among the citizenry—be it the Southern California beaches or the many back yard pools. What they do when they get to the water is something else again.

Not so, however, with Karl Regnolds of 1350 Valley View. Water has been something very special for him ever since his family forsook the Midwest and moved to Long Beach when he was a boy.

There on Alamitas Bay he spent many an hour swimming. Under the guidance of Bud Linden, then a life-guard, but for the past 15 years athletic director of the Pasadena Athletic Club, Karl learned to make the most of his natural abilities and developed into a sprint swimmer.

DURING THOSE days the Long Beach Park and Recreation Department sponsored weekly swim meets with the big championship meet at the end of the season. Karl made a clean sweep of the 50-yard freestyle, breaststroke and backstroke sprints in his division.

Moving to Pasadena in 1933, he continued his swimming while serving as life-guard at Wagner's Pool and in 1937 captained the Pasadena JC swim team while personally winning the 50- and 100-yard freestyle events in all meets and placing second in the CIF championships.

Karl spent 1938 at Menlo High School while preparing to enter Stanford University. His team won the Northern California private school championship while he was personally winning the 75-yard backstroke crown and placing second in the 50- and 100-yard freestyle events.

BY WAY of variety, while at Pasadena and Menlo Karl participated in football as a halfback, and showed that his speed was not confined to water by winning the broadjump and 100-yard dash and placing second in the shotput in the championship track meet.

He spent 1939-42 at Stanford University, where he participated on the varsity swim team. It is significant that Stanford won the Pacific Coast Conference championship all four years. The war years were spent as a lieutenant in the paratroopers with time logged in North Africa, Sicily, Italy and France. It was during this time, strangely enough, that Karl received perhaps his greatest thrills in competitive swimming.

IN 1944 AND 1945 the Allied Forces in Europe held the G.I. Olympics with the finals in Rome. They were second place winners in 1945.

That ended his competitive swimming and after his "liberation" in 1945, he returned to Stanford for a couple of years' post graduate work and then accepted a position with the Bank of America, for whom he still toils as a loan officer.

KARL WAS NOT destined to remain a peaceful citizen for long, however, for Uncle Sam required his services again to assist in the Korean "police action." On Valentine's Day, 1951, a sniper's bullet found its mark and his right leg developed gangrene, requiring its removal. Since December, 1951, Karl has been content to restrict his activities to peaceful civilian pursuits with his wife, Charlotte, his childhood sweetheart whom he married in 1943, and their two children, Karl, 12, and Mike, 9.

Both children have their father's love for water and already show evidence of having inherited some of his ability.

CAMELLIA FESTIVAL

Descanso Gardens Camellia Festival and Show in 1957 will be staged from March 2 through March 10.

COUNTY FAIR SET

The 29th annual Los Angeles County Fair opens its gates in Pomona on Sept. 14 for 17 days, closing Sept. 30. Under the banner, "A Pageant of Progress," it will be a dramatization of achievement in agriculture, industry and the cultural pursuits.

SUMMER SESSION

Miss Susan L. Webster, 439 Mariposa Ave., and a kindergarten teacher at Beardslee School in Duarte, is among the more than 350 students enrolled for the second term of the Whittier college summer session, which began July 30, the office of the registrar announced yesterday.

RETURNS FROM IDAHO

James White has returned to his Mayfair Drive home after an emergency trip to Idaho Falls, Ida. Mr. White had been called to the bedside of his father who had suffered a severe heart attack but is now on the road to recovery.

999 TRAFFIC DEATHS

Southland traffic fatalities totaled 999 during the first six months of 1956—second worst semi-annual death total in a decade for the 13 southern counties—the Automobile Club of Southern California reported this week.

What Budget Seeks to Do

(Continued from Page 1 Section 1)

POLICE PROTECTION

fire protection, building inspection, street cleaning, maintenance and lighting; replacement, removal and trimming of trees; recreation in the form of a swimming pool, a youth hut, along with a summer recreation program; a park with its several facilities; a city library, with its many educational and entertainment opportunities.

When viewed in this light, it is easy to see that no item in a city program is isolated; each item must be considered from the viewpoint that if money isn't spent here there may be a more important item to be obtained.

Specifically, the 1956-57 budget for the City of Sierra Madre attempts to strengthen some of the local activities.

RECREATION

at this time receives attention in three areas: the directed play program of the city and school district, the swimming pool and the youth hut.

Under present plans of the City Council, development of a swimming pool-recreation center is to be the first order from the income to be received from the new one-cent sales tax. This activity should be of interest for young and old and will result in the strengthening of family activities in the Sierra Madre area.

STRONGER AND BETTER

police protection is at all times desirable. Better traffic direction, more thorough investigation of theft, closer work with juvenile and teenage groups are all activities which are possible with more personnel.

An area of vast natural beauty which has not been receiving proper attention is the trees which line our streets.

A complete system of removal, trimming and replanting is necessary if we are to pass on for future viewers the same beauty which the past has made to us. A start will be made this year on the establishment of a tree growing program for street trees at the City yards.

This year will see the completion of the offstreet parking program, which has been

in motion for two or more years. Because of the expense and importance of the district, the City will contribute to the initial development and to the maintenance and cleaning.

The above mentioned activities are but a few of the many which City government supplies. Refuse collection, water delivery, street lighting, street maintenance and repair, fire protection, civil defense, parks, public library—all go to make up the many sides to Sierra Madre's City activities.

The City Council and Administrator invite your attendance at the Council meetings when these activities are discussed and decided. Your comments about things in general or specifically are appreciated.

Activities throughout the city will cost approximately \$500,000 next year. The aim of everyone concerned is to receive \$500,000 worth of goods and services. The only way the city can know if you are satisfied is by your presence and/or comments.

Award to Sierra Madrean Recalls Deeds of the Past

By Bill Wark

"Never has the Lever Standards Public Relations Award been bestowed upon more deserving persons," was the tribute paid to Edward LaLone and myself this week, the highest honor to be given by one of the world's largest corporations—Lever Brothers Soap Company—for Public Service.

Edward LaLone of our rescue crew was reared in Sierra Madre, having lived here since 1924. Perhaps the most astounding event in his young life was the time he and his brothers caught a golden eagle in a trap they had set on a high ridge above Sierra Madre. They carried the huge bird down the mountain and put it in a cage in their back yard.

MRS. STEINBERGER, who was principal of the school at the time, wondered why all of the children were not in school the next day. School and old books were nothing—they were all down in the LaLone backyard admiring Edward and the real live eagle with the 7-foot wingspread.

A day later the most amazing thing happened—the eagle laid an egg. The eagle and the egg put Sierra Madre on the map. People from all the surrounding communities came to see them, even from the Museum of Natural History.

THEN CAME the great day when the boys decided to let the eagle go back to the distant crags and freedom of the blue skies. The whole town turned out. Rudolph Hartman started his camera on the scene, and the eagle took off, circling the town as if to say "thanks" and headed northward over our mountains.

Edward was one of the first in Sierra Madre to answer the call in World War II and has the amazing war record of 32 months overseas duty, 50 per cent of the time in actual combat.

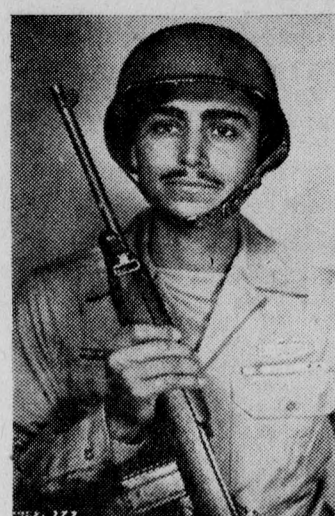

He lived through hundreds of bombing raids, lived in a fox hole for as long as 25 days without relief, not being able to distinguish the chills and fever from the tenseness of the battle.

HE HAS the South Pacific

medal for two major campaigns and the Presidential Citation for extraordinary bravery, and service in the Guadalcanal relief of the Marines.

Lee Shippey wrote: "When a boy like Edward LaLone comes home the whole town should pay their respects to him. Edward has been in there pitching ever since the war began, probably having longer continuous service in the battle areas than anyone else in our town."

Lever Brothers Company certainly spoke the truth when they said, "Never has this award been bestowed on more deserving persons." Our Search and Rescue crew are all very proud of Edward LaLone.

EDWARD LALONE Taken in World War II

to do an article about them. The Committee on Bear Facts in our Wild Life Department is working on this and we should have the answers for you in the near future.

A man has the right to be sure he is right, but he is wrong to assume that everyone else is wrong.

EQUALITY

FT. WORTH VISITOR

FORD for top economy

New Ford F-100 8-ft. 1/2-ton pickup. Choice of 133-h.p. Six or 167-h.p. V-8, both Short Stroke. Custom Cab (shown) is available at extra cost.

Today's top trade!

Now—more trading dollars for you makes it easier than ever to get behind the wheel of America's Light Duty leader!

It's good business to trade when you can get top dollar for your old truck. And right now, your Ford dealer is making this possible with the biggest push yet for America's leading load carriers—Ford trucks for '56.

If you measure value by horsepower, compare Ford with any other truck line. Compare price tags and operating costs to see what you get in this world's greatest line-up of modern, superior Short Stroke power.

Only Ford pickups give you gas-saving Short Stroke design in two engine choices, V-8 and Six. There's new capacity whether you choose Ford's 8-ft. box or the roomy 6 1/2-footer. New Ford styling is the last word in truck beauty, a "rolling ad" for your business that shouts leadership. And for comfort and safety, only Ford gives you the Driverized Cab with exclusive Lifeguard Design.

Get the most-est in trade. Buy the best-est in trucks—from your Ford dealer today!

Ford trucks cost less—last longer!
